## Now check the meanings in the sentences:

1. Rachel: You know there are easier ways to kill me, if you're worried I'll rat you out for cheating on the LSATs.

2. Harvey: You have 30 hotels in 12 different countries, but you spent last week in Daniel Vega's Lisbon resort.  
Jones: What? Just, you know, checkin' out the competition.

3. Donna: Go to an outside source for the other witness. For the best friend you need somebody pretty, sympathetic, and most importantly, willing to go above and beyond for you.

4. Mike: And why aren't you friends anymore?  
Jenny: I don't know. If you do it like that... They'll fall in love with you.

5. Harvey: Trust me. Debeque has enough passion for his company that he'll be willing to chop off an arm to save the body.

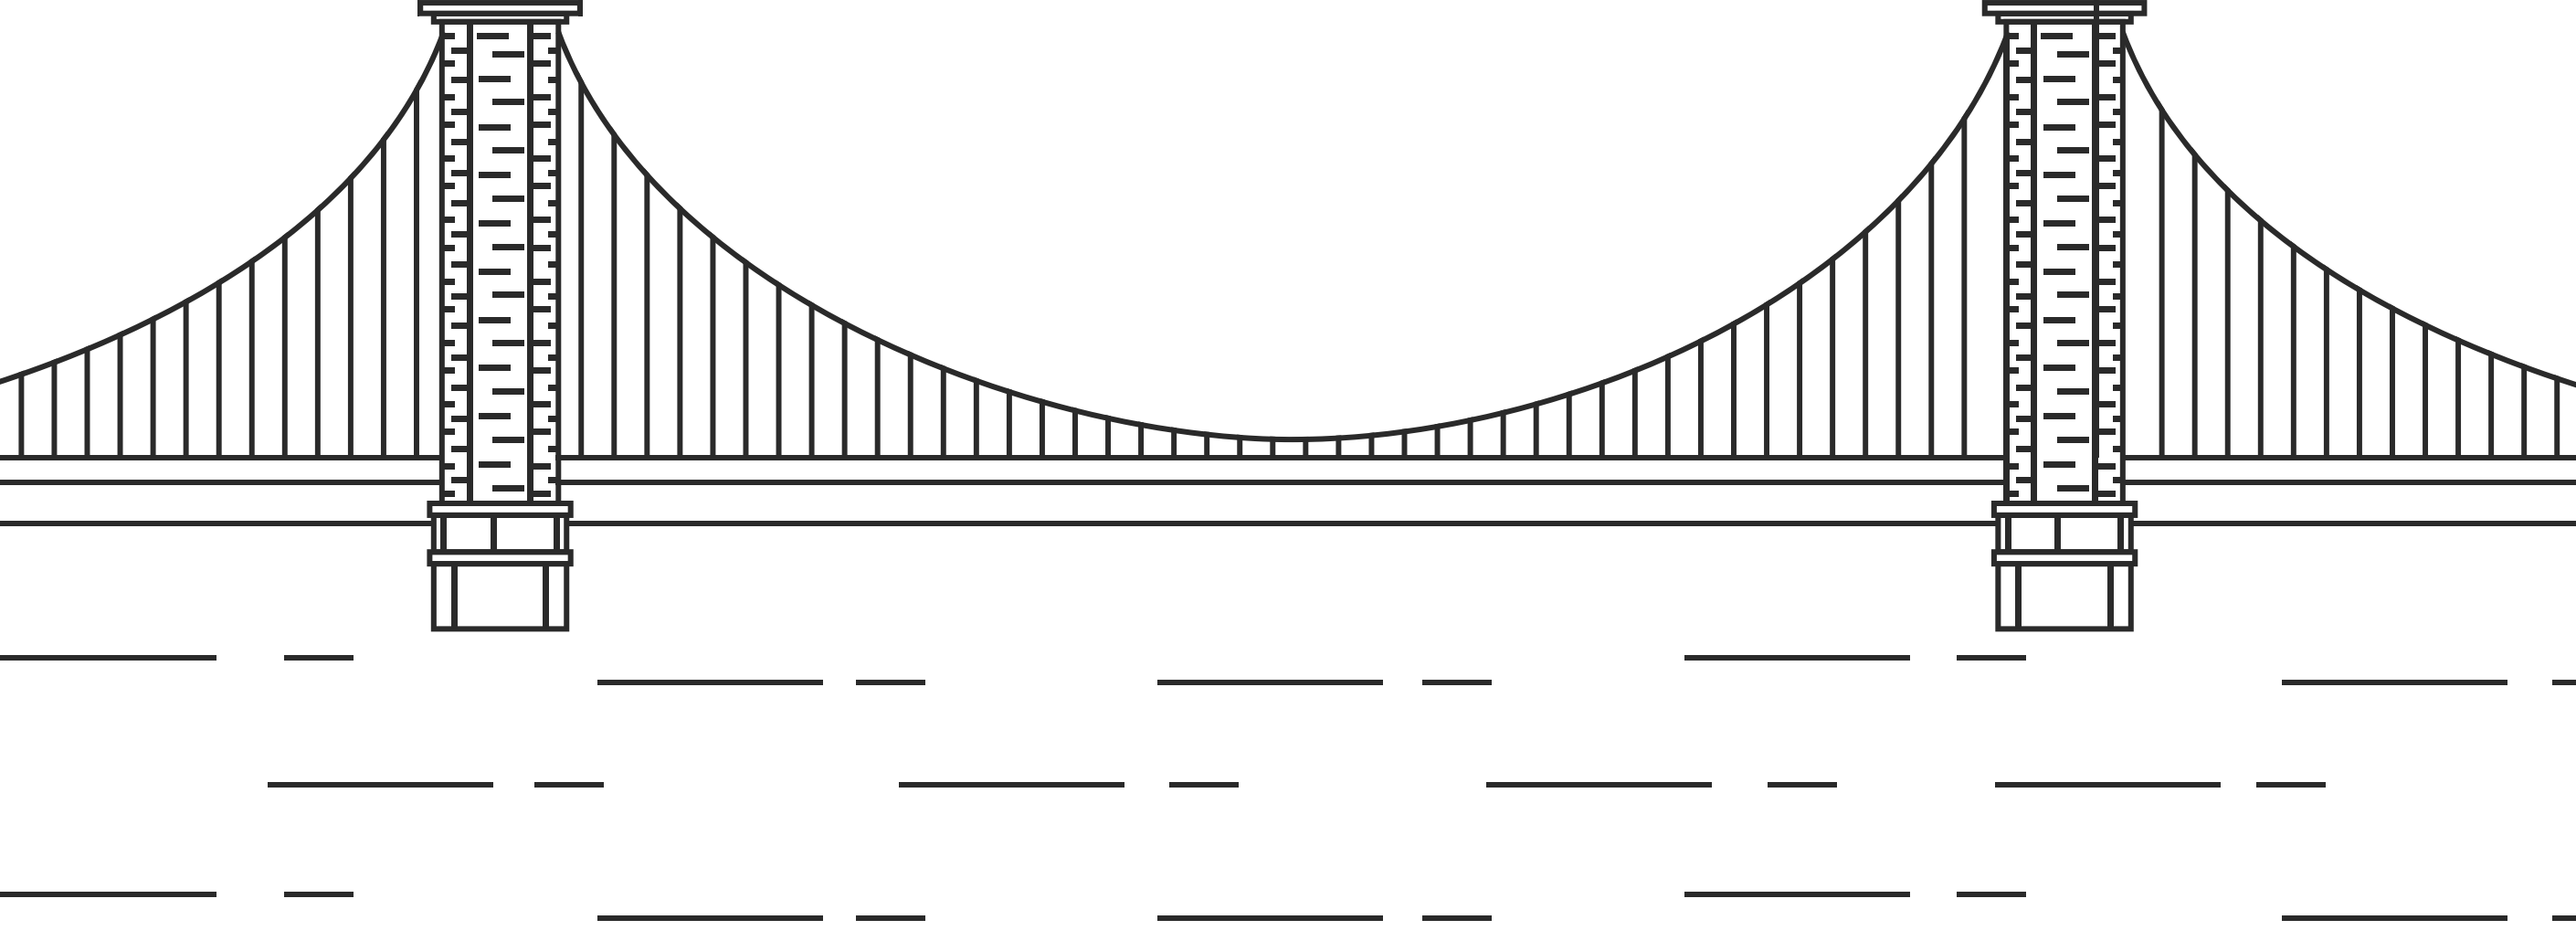

6. Jenny: God, I don't know why I'm so nervous. I just know this is a big deal to him, and I don't wanna let him down.

7. Mike: You can save the disappointment, Harvey. I know what I did.

Harvey: Do you? Because what I saw is that you backed off because you were worried about hurting your girlfriend's feelings.

8. Harvey: Well, you wanna go back to our Alma Mater and see a lecture on why women are better at science? Might cheer you up.

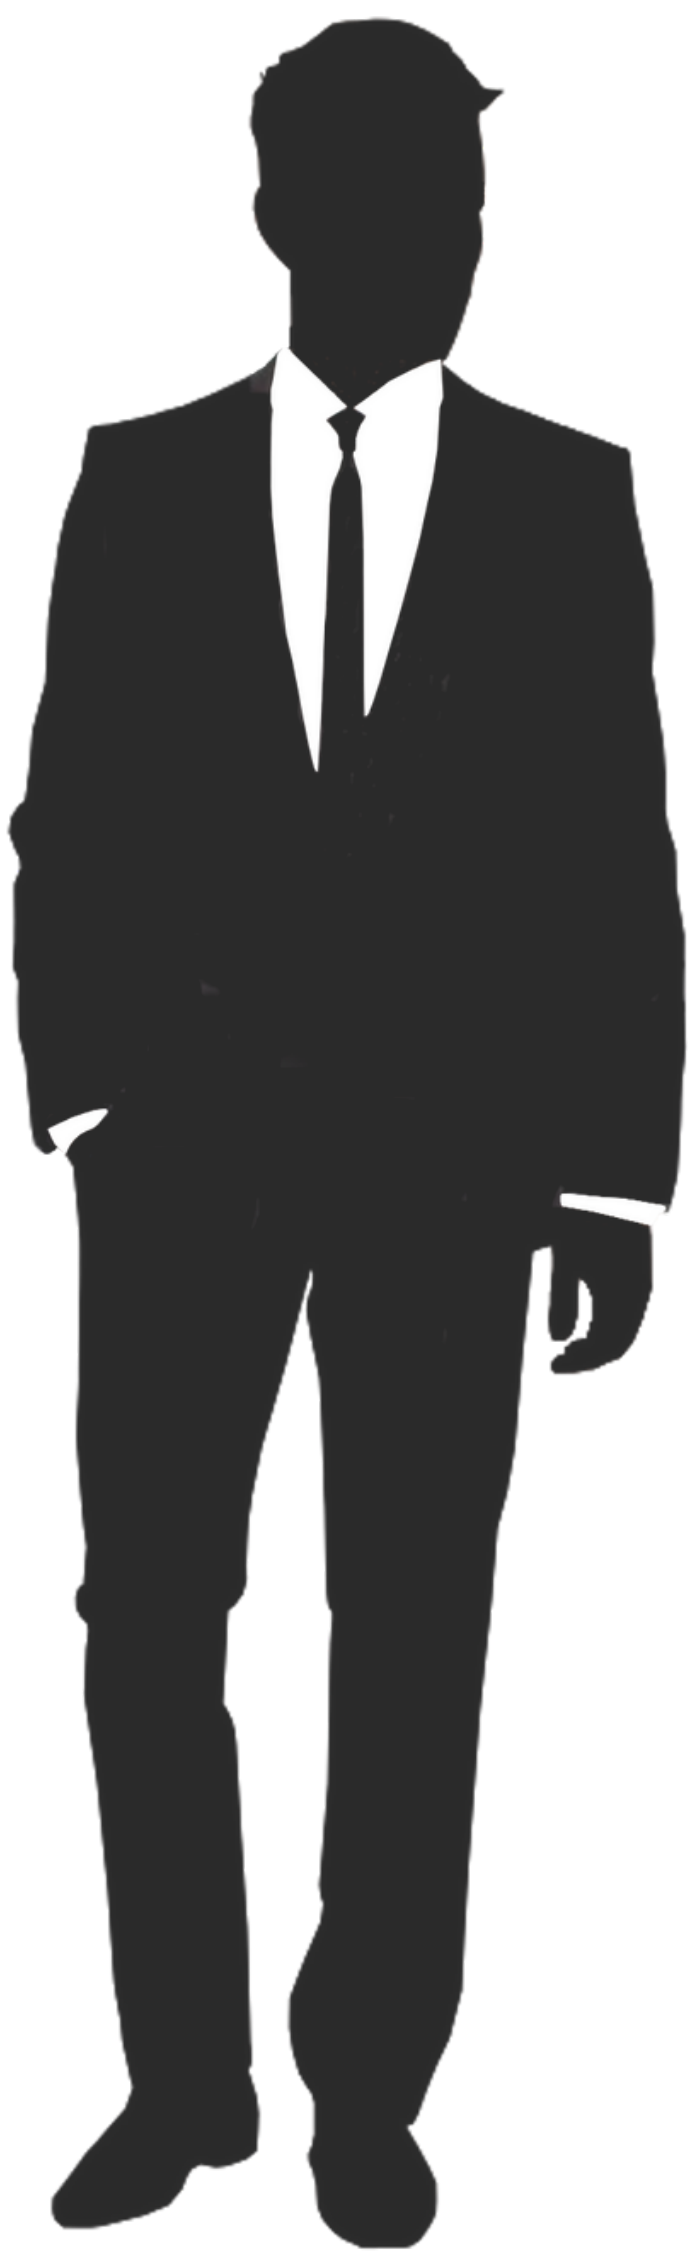

9. Rachel I know I was hard on you this week. Did you ever take a minute to wonder why I was so mad at you? I just expect more from you than most people.
